Dedication

Thursday, November 15, was the luckiest day of 1951 for the pupils of Big Piney High School, as the dedication of our new High School took place.

Conducting the dedication ceremonies were Superintendent V.R. Cullens and Mr. C.R. O'Neal, school board director. Following these addresses the band played two selections: "America the Beautiful" and "Under the Double Eagle." This was followed by the laying of the cornerstone by Mrs. Sadie Osterhout, daughter of the late Mrs. Josephine A. Budd.

The inscription read:

JOSEPHINE A. BUDD
MEMORIAL HIGH SCHOOL
ERECTED 1951

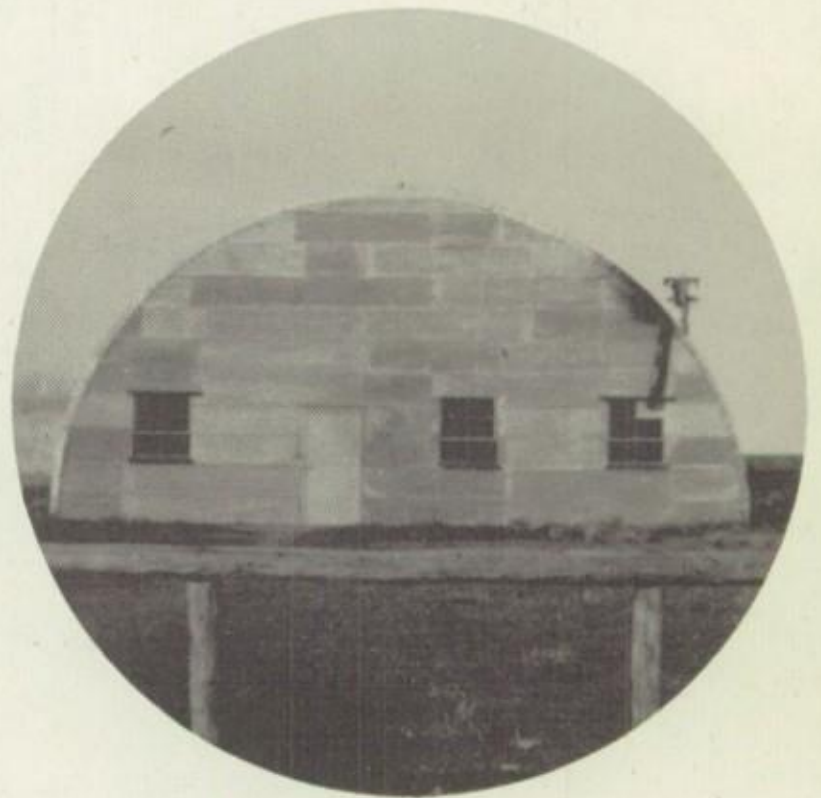

Then a brief history of the Big Piney Schools was given by Mr. Joseph Budd, grandson of Mrs. Budd.

The cornerstone contained one copy of a B.P.H.S. Annual, one school paper, one Big Piney Examiner, lists of the following: Board of Education, Faculty, Classes and class officers, all school organizations and officers, pictures of the organizations (that appear in this annual), current U.S. News and World Report, and coins ranging from 1¢ to \$1. Also in the cornerstone was a story about Mrs. Budd at the time of her hundredth birthday, written by Mrs. Pearl Spencer and a poem commemorating her hundredth birthday written by Mrs. Lora Jewett.

SUPERINTENDENT'S MESSAGE

We, as a student body and faculty, can indeed be proud of the progress education has made in our community during the past year. Our new high school building with its Homemaking Department, gymnasium and lunchroom facilities is as good as the best in the state.

In addition, a sense of school spirit and unity of purpose has developed among the pupils which is to be commended.

I wish to express appreciation to the staff and sponsor of this yearbook who are leaving a history of our achievement as a challenge to those who follow.

Senior Class Prophecy

It's a warm July 4, 1972 as we drive to the rodeo arena for the last day of the week long Big Piney Chuck Wagon Days Rodeo. We were very surprised as we entered the City of Big Piney, it used to be a cow town with a population around 250 but now it is a thriving oil metropolis with a population of 20 thousand.

The week's stay in Big Piney has been very enjoyable as we have learned much about our classmates. We were here but a short time when we learned that Susan and Frankie are very happily married and own the biggest Hereford Ranch in the U. S. Later, as we entered the largest Casino in the city we were very surprised to learn that James Carr was the proprietor. While looking over a big, cold glass of milk and talking to Jim we learned that there are still many of the old gang left. Jim tells us that James Meeks is now the coach of a big Athletic Club. We also learn Marilyn is the mother of three children. Her husband, while digging a hole for a clothesline post, struck oil and now they are living on easy street. They each buy a new car every year and Marilyn has three big dogs to look after the kids.

While watching T.V. we see a familiar face on the screen. To our surprise it turns out to be Martin Neilson, he has his own T.V. show and one of the top Western bands in America. On the same T.V. set we see Nedra's name linked with an advertisement for Utah fruits, upon questioning Jim we learn she has one of the largest orchards in Utah and ships fruits all over the nation.

The next day we have to leave because of an engagement in another town, just as we are preparing to leave in our Cadillac we see the name of another old classmate, this time we learn that Alice (Gurney) Edwards is the owner of one of the world's largest homes for underprivileged children.

It has been a great pleasure for us to learn where all of our old classmates are, but it was also a surprise to learn that we are the only ones who haven't stayed in one place. With our rodeo work we have had to travel. It's time to really be on our way, and so hoping that someday we may be back to Big Piney we leave with a fond farewell.

Our first goal was a constitution. A Christmas party was sponsored December 21, where presents were exchanged and refreshments were served. We have already had one show, It Happened One Night and we hope to order several more before the end of the year.

Under the leadership of Mr. Frank Bray and Mr. Robert O'Neil, Big Piney boys and girls are keeping the title of "The Best Beef in the Green River Valley." "Some of us are raising our bulls so it will be possible to start a pure bred herd," quotes President John Tanner.

Mrs. Inez Bennett, Mrs. Pearl Spencer, and Mrs. Maicille Carr are 4-H leaders of the girls' clubs in Sewing, Cooking, and Home Improvement.

We are all looking forward to a very interesting and prosperous year.

Our first trip this year was to Blackfoot, Idaho for the Idaho State Fair which was held September 14 through 16. This was a big event and was quite interesting.

The next big trip on our schedule was to Laramie on September 26 for the state judging contest. We won nothing but gained some good experience.

Our annual 4-H and FFA Bull Sale was held October 16, 1951. This year was a record high of the 48 bulls selling at an average of \$1060.00. Frank Bray, Jr. had the high-selling bull this year which sold for an even \$2000.00.

The next trip was to Casper, Wyoming on April 3, 1952 for the state FFA Convention. This was a big event with boys attending from all over the state. There was an election of State Officers followed by the State Speech Contest.

F.H.A.

The Big Piney Chapter of Future Homemakers of America was officially installed this year by the Pinedale Chapter. The officers were installed on the same afternoon, December 18. They are:

President - - - - -	JOIE BRADLEY
Vice President - - - - -	SUSAN TWITCHELL
Secretary - - - - -	MARGIE WHITMAN
Treasurer - - - - -	SHIRLEY DIEBLER
Parliamentarian - - - - -	JOANN MARINCIC
Historian - - - - -	MEADA JONES
Song Leader and Pianist - - - - -	SALLY BUDD

The club as a group went to Cokeville on October 20 for the Southwest District meeting of FHA. They all enjoyed it and learned a lot about the club that they had all just joined.

At the party following the installation the members from both the Big Piney and Pinedale Chapters wrapped gifts for a patient in the Veterans Hospital.

The club held a tea for their Chapter Mothers in the new Home Economics room. The Chapter Mothers are Mrs. Francis Tanner and Mrs. Doyle Twitchell.

The eight purposes of the Future Homemakers of America are as follows:

- I. To promote a growing appreciation of the joys and satisfaction of homemaking.
- II. To emphasize the importance of worthy home membership.
- III. To encourage democracy in home and community life.
- IV. To work for good home and family life for all.
- V. To promote international good will.
- VI. To foster the development of creative leadership in home and community life.
- VII. To provide wholesome individual and group recreation.
- VIII. To further interest in home economics.

In fulfilling purpose numbers III and V, our chapter chose observing United Nation's Day by making and presenting the U.N. flag to the school. For the presentation of the flag a skit, showing each nation represented by the flag, was given.

Band

The Big Piney Band this year is under the direction of Mr. Hal Campbell, who comes from Utah. We have been doing quite a few things and plan on doing a lot more. There were a few who were lucky enough to go to Rawlins to the Inter-School Concert in December. The best players were chosen from each school and they all played together for a concert. They were chosen according to their ability to play their instrument.

Some of the band have been playing at the basketball games during halftime. When the Punchers went to Cokeville, the band went along and played several marches during the game. They have had some very nice compliments on their playing.

Last year in Kemmerer, the band made very good ratings. In their marching they rated 11+ and an 11 for concert music. The saxophone quartette, Rustie Daniels, Margie Whitman, JoAnne Marincic, and Bernetta Nelson, received a rating of 111.

The band is now getting ready for Kemmerer again this year.

Junior Band

The Junior Band, under the direction of Mr. Hal Campbell, has made excellent progress this year. Several of the members are getting ready to play with the Senior band at their home concert this spring. They are also practicing marching for the Music Festival in Kemmerer in the spring. This band consists of pupils of the fifth through the eighth grades.

Glee Club

The Glee Club has been quite busy this year. First of all, they put on a very nice Christmas Cantata. In this they sang the songs of different countries and also a few well known Christmas Carols.

The girls of the chorus were dressed in lovely pastel formals. The Cantata was given the 21st of December under the direction of Mr. Campbell. Several of the High School boys and townspeople were also in the Cantata.

A few of the girls went to the Inter-School Concert at Rawlins. They were placed according to their voice, in the large chorus.

In the spring, the Glee Club gave an operetta entitled "Jerry of Jericho Road." The lead parts were played by Sally Noble and Charles Sims.

In Kemmerer last year, the Chorus got a rating of III. They are planning on attending again this year.
